Standard Class	59.77%
Second Class	19.25%
First Class	15.71%
Same Day	5.27%
Grand Total	100.00%

tion of 'Ship Mode'

standard class is the highest used mode of shipping. according to my analysis, if Superstore can increase the percentage discount it gives to it's customers, many cu use same day shipping mode that way their sales might inci so will their profit Margins
